

Person	Question	Week 48						
		Monday	Tuesday	Wednesday	Thursday	Friday		
Michel	What did you do yesterday?							
	What will you work on today?			Testing writing data, Design OOD				
	Do you have any obstacles?			User drivers - issue with compiling,				
Florina	What did you do yesterday?							
	What will you work on today?							
	Do you have any obstacles?							
Viggo	What did you do yesterday?							
	What will you work on today?			Testing writing data, Design OOD				
	Do you have any obstacles?			User drivers - issue with compiling,				
Priyanka	What did you do yesterday?			Package diargam, deployment diagram, implementation of web socket, creating a source DB				
	What will you work on today?			Package diargam, deployment diagram, implementation of web socket, creating a source DB				
	Do you have any obstacles?			Time due to handins at school				
Maria	What did you do yesterday?			Package diargam, deployment diagram, implementation of web socket, creating a source DB				
	What will you work on today?			Package diargam, deployment diagram, implementation of web socket, creating a source DB				
	Do you have any obstacles?			Time due to handins at school				
Constantina	What did you do yesterday?			Package diargam, deployment diagram, implementation of web socket, creating a source DB				
	What will you work on today?			Package diargam, deployment diagram, implementation of web socket, creating a source DB				
	Do you have any obstacles?			Time due to handins at school				
Mark	What did you do yesterday?			Package diargam, deployment diagram, implementation of web socket, creating a source DB				
	What will you work on today?							
	Do you have any obstacles?			Time due to handins at school				
Daniel	What did you do yesterday?							
	What will you work on today?			Optimizing the ends point and working on the layout, Figma prototype				
	Do you have any obstacles?			Time due to handins at school				
Ilia	What did you do yesterday?							
	What will you work on today?			Optimizing the ends point and working on the layout, Figma prototype				
	Do you have any obstacles?			Time due to handins at school				
Tamas	What did you do yesterday?							
	What will you work on today?			Optimizing the ends point and working on the layout, Figma prototype				
	Do you have any obstacles?			Time due to handins at school
